#### CELL CHURCH IN THE PRINCIPLE OF 12

There's nothing quite as exciting as forming disciples, and watching them grow in their character, calling and gifts for Jesus' glory. This vital work is carried out in the cells. Jesus himself chose 12 men whom he mentored, shaped and released to take the gospel to the four corners of the earth. We have adopted this model of discipleship and mentoring to ensure that every church member grows to their full potential.

#### STUDENT LIFE AT IBIOL

Our experience of church is strengthened by the friendships

**KENSINGTON TEMPLE LONDON CITY CHURCH IS COMMITTED TO THE GREAT COMMISSION. 119 NATIONS OF THE WORLD GATHER IN LONDON'S NOTTING HILL TO CELEBRATE CHRIST. DISCIPLES MEET DAILY ACROSS LONDON IN CELL GROUPS WINNING THE LOST, ESTABLISHING THEM IN THE FAITH AND RELEASING THEM TO BEAR FRUIT AND MAKE NEW DISCIPLES.**

currently, Colin Dye have served as the Senior Ministers. KTLCC is a cell based church with a reputation for world class doctrinal teaching and openness to the ministry of the Holy Spirit. Salvations, signs, wonders and miracles are our regular experience, expressing our core belief that Jesus and his gospel are relevant to his church today. KTLCC is part of the Elim Pentecostal Churches of Great Britain, of which Colin is a national leader.

we develop. Divine relationships will last a lifetime and challenge us to do what we could never achieve alone. Cell groups are more than Bible study groups, but members become our best friends. From a basis in the cells, students join for prayer, worship and devotion times, before going on to being challenged through powerful preaching and teaching including sessions with world class leaders. By developing and nurturing our students spiritually, we see our vision to equip strong, vibrant leaders becoming reality.

## TEACHING STRUCTURE AND GUEST SPEAKERS

In the church today, God has raised up many significant leaders, anointed and moving in the gifts of the Spirit, preaching the gospel in mass evangelism, demonstrating the healing power of Jesus and being moved to minister to the poor.

Colin Dye and Roberts Liardon each play key roles in student teaching, training and mentoring. They have put together a rich blend of modules and teachers to ensure you receive the best possible training. From experienced practitioners in their field, to national speakers leading regular chapel sessions, the teaching will be rich and challenging.

IBIOL offers a significant edge in our teaching provision – in addition to the resident teachers, we have world recognised guest speakers

coming to minister in the Bible Institute. These men and women of God are seeking to impart to the saints, to those of us who will take up our ministries for Christ. Current guests include RT Kendall and Reinhard Bonnke, and many others.

This unique opportunity brings world class distinction to your theological education.

## PRACTICAL EXPERIENCE

Our internship program gives students insight into how a ministry runs. Throughout the academic year, students will be assigned volunteer work with the departments of KT as part of their course, learning to provide excellent service in support of the vision of the house. These include: Consolidation, Prayer, Pastoral, Evangelism, Youth, Children, Music, Technical, Administration, Design & Publications and Creative ministries.

## LIFE IN LONDON

London is one of the greatest cities in the world with its historical landmarks, its museums and concert halls, not to mention its world class theatres and restaurants. For the student, every day holds countless opportunities for adventure and exploration. Life both inside and outside the IBIOL promises to be unique.

**MY VISION OF CHURCH WAS CONFRONTED AND I FOUND I NEEDED TO LEARN IN ORDER TO PLANT AND GROW REAL NEW TESTAMENT CHURCHES. I HAD FIRST-HAND EXPERIENCE OF HOW TO RUN A LARGE CHURCH THROUGH MY INTERNSHIP INVOLVEMENT IN THE DEPARTMENTS OF KT. MY EXPOSURE TO THE BEHIND-THE-SCENES ORGANISATION OF CELLS, REVIVAL & CELEBRATION SERVICES IS INVALUABLE TO PIONEERING NEW WORKS FOR THE LORD.**

AS THE TEAM BEGAN TO PRAY, BLIND EYES STARTED TO OPEN. EVEN ONE VILLAGE CHIEF, A MUSLIM, GOT HEALED, GAVE UP HIS WALKING STICK AND ACCEPTED CHRIST.**
